

Railay Sunset + Bioluminescent Planktons (by Long Tail Boat) - 17:00 - 20:00 hrs. + Transfer (No Kayak, No National Park Fee)

#TOUR-247 · TOUR · Railay Sunset + Bioluminescent Planktons · Krabi

Overview

Experience Railay after the daytime crowds begin to fade on an evening trip by traditional long-tail boat. Watch the sunset over Krabi’s dramatic limestone coastline before heading to a suitable spot to observe the natural glow of bioluminescent plankton. With round-trip transfer included, this compact evening tour is ideal for couples, families and travellers seeking a memorable Krabi experience without committing to a full-day island programme. No kayaking is included, and no national park fee is required. Plankton visibility depends on weather, tides and natural conditions.
