

# Cervidae Deer Farm (Explore Farm Tour Package)

#TOUR-186 · TOUR · Deer Farm · Trang

## Overview

Step off the beaten path and into Cervidae Deer Farm, one of Trang's most distinctive agritourism attractions. This guided farm tour gives visitors direct access to friendly deer in a natural, open setting — feeding, observing, and photographing these graceful animals up close in ways that standard wildlife encounters simply don't allow. The relaxed pace and genuine farm atmosphere make it a standout experience in southern Thailand. Comfortable vehicle transport is included throughout, keeping logistics seamless from start to finish. Ideal for families with children, couples, and nature lovers looking to add something genuinely different to their Trang itinerary.

| 1 | Cervidae Farm – The Andaman Deer Farm is a family-owned deer farm with over 26 years of history. Today, we care for more than 500 deer in a semi-natural environment, making Cervidae one of the largest and oldest deer farms in Southern Thailand, in Trang Province, only around 15 minutes from Trang Airport and conveniently positioned for travellers exploring the Southern Thailand–Andaman route, including Trang, Krabi, Phang Nga and Phuket. |
