## Overview

Hit two of Phuket's most rewarding island destinations in a single full-day speedboat tour. Coral Island delivers crystal-clear shallows and a lively beach scene perfect for snorkelling and watersports, while Racha Island steps it up with deeper, more pristine waters and the kind of visibility that makes underwater photography worth attempting. Both stops are genuinely distinct — you get variety, not repetition. A freshly prepared lunch is included, and shared SIC transfers handle your round-trip logistics from Phuket without the hassle of arranging separate transport. At nine hours on the water, this tour suits active travellers, couples, and families who want to cover serious ground and come back with a full day's worth of memories rather than a half-measure island hop.
