#TOUR-091 · TOUR · Koh Tao + Koh Nang Yuan · Samui Island

## Overview

Spend a full day exploring two of the Gulf of Thailand's most celebrated islands on this action-packed Koh Tao and Koh Nang Yuan speedboat tour from Samui. Race across open water to Koh Tao, a world-class snorkelling and diving destination, then continue to the iconic Koh Nang Yuan — three tiny islets linked by a stunning natural sandbar and framed by crystal-clear water. National Park fees and a satisfying lunch are included, so there's nothing to organise on the day. Travelling on a shared SIC (Seat-in-Coach) transfer basis, this tour is ideal for solo travellers, couples, and small groups looking to pack maximum island beauty into a single 8-hour excursion without the cost of a private charter.
