#TOUR-088 · TOUR · Island Tour · Phi Phi Island

## Overview

Cruise to two of Thailand's most iconic destinations on a single action-packed day aboard a high-speed catamaran. Depart Phuket and cut across the Andaman Sea to Phi Phi Don, where turquoise waters and dramatic limestone cliffs set the scene, before entering the legendary Maya Bay — the beach that put this corner of Thailand on the world map. The national park fee is covered, so there are no surprises at the gate. A fresh buffet lunch and a golden-hour sunset cruise back to Phuket round out the experience, while the shared island transfer keeps costs sharp without sacrificing convenience. This tour suits couples, families, and solo travellers who want maximum coverage of the Phi Phi archipelago in one seamless, fully managed day.
