

7 Islands Sunset + Mini BBQ Dinner (Catamaran Yatch) + SIC Transfer - (Include National Park Fee)

#TOUR-252 · TOUR · Krabi Tour · Krabi

Overview

Set sail from Krabi on a luxury catamaran yacht for one of the region's most spectacular evening experiences. This five-hour sunset cruise weaves through seven iconic limestone islands, delivering panoramic golden-hour views before anchoring in sheltered bays where bioluminescent plankton light the water in an electric blue glow after dark. A freshly grilled BBQ dinner served on board rounds out the night in style. Ideal for couples, small groups, and anyone who wants more than a standard day tour — this trip trades the midday crowds for drifting sea breezes, dramatic skies, and a natural light show that genuinely impresses.

- Golden-hour photography across limestone karst scenery
- Five-hour evening adventure, no experience required

Itinerary

1	13:00	Hotel pickup via SIC transfer
---	-------	-------------------------------

2		Arrive at Krabi pier, board catamaran yacht
3		Depart; cruise to first limestone islands
4		Island hopping & snorkelling stops begin
5		Phra nang Cave / Railay Bay - This place has a beautiful beach with a unique shrine full of Carved wooden phallic items. Believers come here to pay their respects and pray. (only sightseeing)
6		Chicken Island - Known for its limestone pillar that resembles a head of a chicken, this area is a go-to place for snorkeling.
7		Tup Island - When the tides are low, a sand bar appears and connects to Tub Island with its neighboring Mor Island and Chicken Island. Crystal clear waters surround this area.
8		Poda Island - An island with white sand beaches stretching from one side to the other that is surrounded by shallow, clear waters good for swimming and relaxing. We served BBQ Dinner here.
9		Tang Ming Island- One of the iconic landmarks in Krabi which can be seen from Poda Island.
10		Bioluminescent Plankton Site - A location around Railay Bay where bioluminescent planktons glow when you swim around this area. (Availability subject to weather, moon phase and tide conditions.)
11	19:30	Return to pier, transfer back to hotel
