

Elephant Trekking 45 mins.

#TOUR-222 · TOUR · Elephant · Phuket

Overview

Experience Phuket’s tropical scenery on a 45-minute elephant trek led by an experienced handler. The elevated ride offers a different perspective of the island’s lush natural surroundings and plenty of memorable photo opportunities. With approximately one hour allocated for the complete activity, this tour is easy to fit into a busy Phuket itinerary. It suits couples, families and first-time visitors looking for a classic island experience without committing to a full-day excursion.
