#TRF-154 · TRANSFER · Luggage Truck · Phuket

Overview

Move group luggage smoothly between Phuket International Airport and your Phuket hotel with a dedicated one-way luggage truck service. Ideal for tour groups, events, families and travellers carrying bulky or excess baggage, this practical transfer keeps luggage separate and helps passenger vehicles remain comfortable and uncluttered. The service includes a suitable vehicle and professional driver for the approximately 60-minute journey, subject to traffic and hotel location. Luggage capacity depends on the number and size of items and should be confirmed when booking; child seats are not applicable as the truck is intended for baggage transport only.
