

Lion Land Phuket - (Baby Lion)

#TOUR-092 · TOUR · Lion Land Phuket · Phuket

Overview

Lion Land Phuket offers one of the most extraordinary wildlife encounters available on the island, and the Baby Lion experience puts guests face-to-face with real lion cubs in a controlled, supervised setting. This is a rare hands-on interaction that goes well beyond a standard zoo visit — guests can hold, pet and photograph these remarkable animals up close, creating memories that simply cannot be replicated elsewhere in Thailand. Ideal for families, couples and wildlife enthusiasts, this tour is a standout addition to any Phuket itinerary. All visits are conducted under professional supervision, ensuring both guest safety and animal welfare. Ground transport is included, making logistics effortless for your clients from start to finish.
