Overview

Khai Island is one of Phuket's most coveted day-trip destinations — a cluster of three small islands in Phang-nga Bay ringed by powdery white sand, crystal-clear turquoise water, and some of the region's best snorkelling reefs. This half-day speed boat tour gets you there fast and gives you genuine time in the water and on the beach before the afternoon crowds take over. Priced without lunch, it's the smart pick for travellers who want flexibility on food spend and a lean, no-fuss itinerary.
